# BECAUSE A BACKPACK MUST BE COMFORTABLE

---

What would practicality be without convenience? Above all, a backpack must be comfortable, because it accompanies you in every time you wear it.

The wide straps in the MODECOM CREATIVE backpack covered with breathable mesh are soft and comfortable. The same mesh is also present on the back and not only gives it a kind of softness and pleasant thickness, but also ensures optimal air circulation, reducing back sweating.

# IN ANY SITUATION FOR WORK AND STUDY

---

Working at home or in the office? Are you at school or university? Or maybe on business trips? Or just need a comfortable, durable and practical laptop backpack? MODECOM CREATIVE is the answer to your needs.

## EXTERNAL POCKETS

---

# MANY SIDE POCKETS

---

## 4 EXTERNAL POCKETS

Up to 4 external pockets with space for a bottle of water, glasses or other various accessories. There is plenty of smart solutions and you always have everything within reach. What's more, the pockets are closed with zippers, which will allow you to easily access or secure their contents.

Comfortable and practical - everything is possible in the MODECOM CREATIVE backpack.

# FOR SAFETY

---

Reflective parts on the straps of the backpack reflect the light of car headlights and thus increase your safety.

Regardless of where you are, thanks to the reflectives, you are more visible on roadside or pavement after dark. And there is nothing as valuable as your safety and health.

## POLYESTER and ECO LEATHER

---

The backpack is made of polyester. It is characterized by high durability and quick drying. Polyester is a non-absorbent material, which means that it does not absorb moisture and effectively protects the contents of the bag during the rain.

The front of the pocket is covered with eco-leather. It gives the backpack elegance, making its design more attractive. A backpack made in this way is a model of elegance that will not go out of fashion in the office environment.

## TWO-WAY ZIPPERS

The backpack is closed with a two-way zipper. It is a convenient, quick and practical protection of the contents of the bag.

The advantage of zippers is also their very simple operation.

PRACTICAL

---

# HIGH FUNCTIONALITY

## SMART DESIGN

---

The interior of the backpack has been optimally designed for maximum usability. There is a partition in the main compartment for a laptop and four pockets, e.g. for documents, accessories, notebook etc.

The practical opening of the main compartment ensures optimal convenience of reaching for its contents.

# JOURNEY BEGINS!

A strap on the back allows you to put the backpack on a larger travel bag. Practical solutions translate here into the greatest comfort of travel.

# SIDE POCKETS

---

Practical side pockets in which you can hide an umbrella or a bottle of water. Always convenient and always at hand.
