HANDLE

ECO LEATHER HANDLE

ECO LEATHER AND PRACTICAL SOLUTIONS

High quality handle made of eco-leather material not only perfectly match the entire design of the bag, but also provide optimal comfort every day. The material is pleasant to the touch and fits comfortably in the hand.

In addition, they can be fastened with a dedicated snap closure. This solution increases the security of the contents of the bag, reducing the risk of its opening and theft.

MODECOM MONACO

QUALITY AND SAFETY

Laptop safety is very important. After all, it is the contents of the bag that are the most valuable.

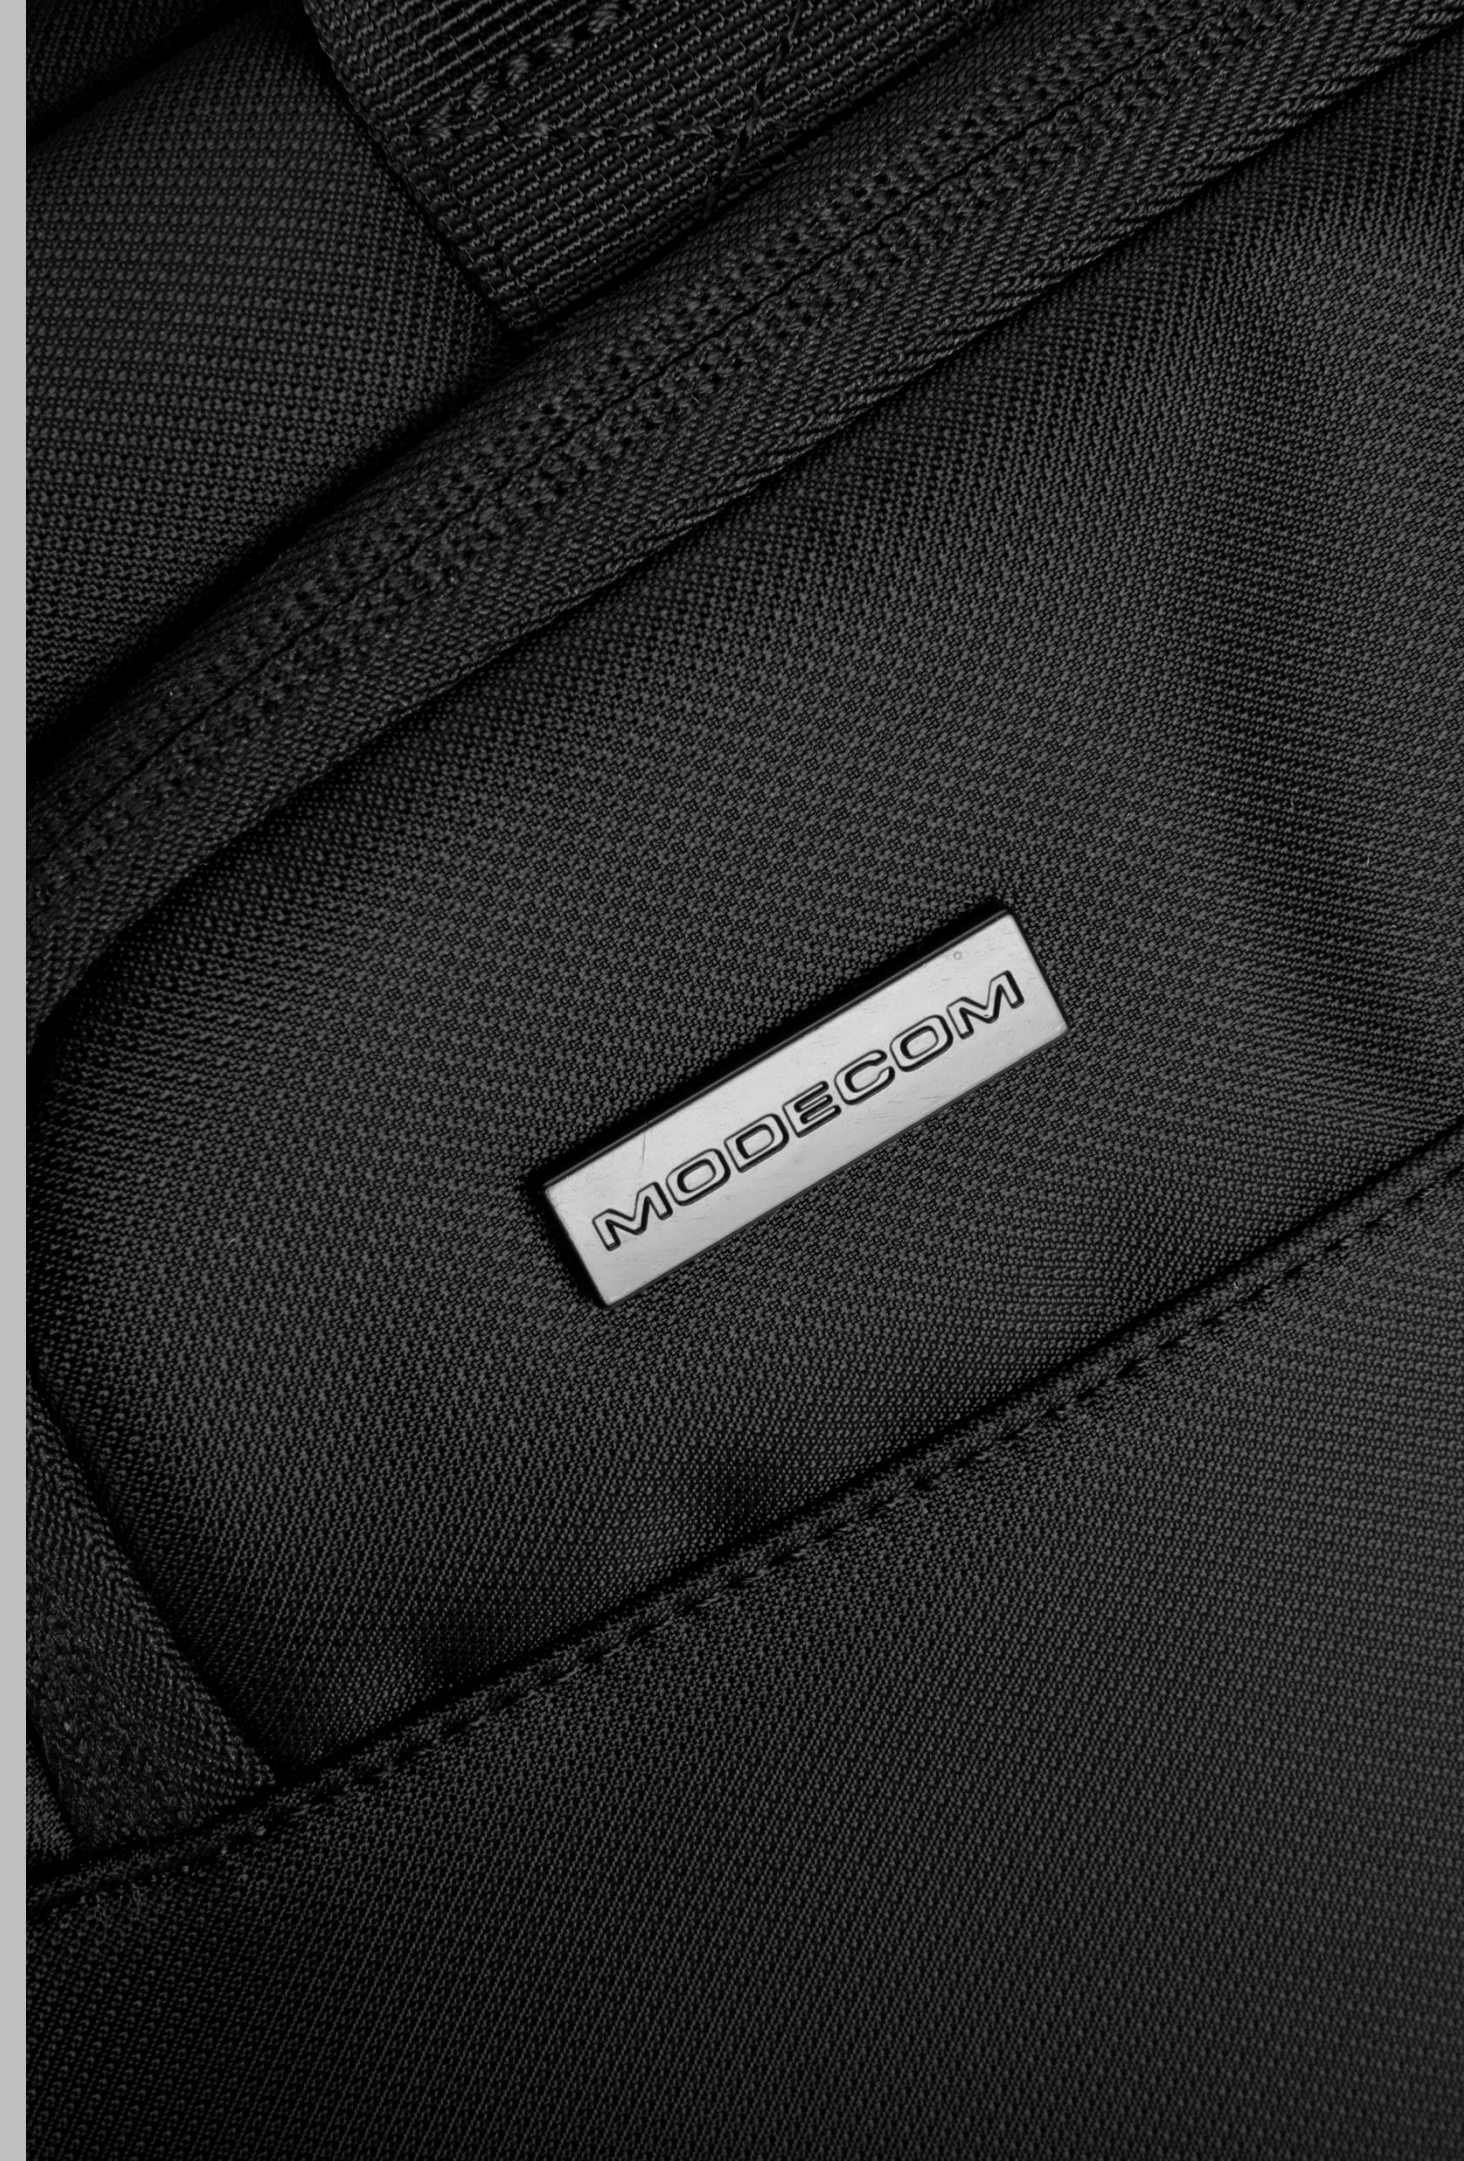

That is why we have used proven and reliable solutions for the safety of bag transport.

We know that you expect not only quality and interesting design, but also want to be sure that we have made every effort to ensure the best durability of the strap or handle.

WATER-RESISTANT POLYESTER

The bag is made of polyester. It is characterized by high durability and quick drying.

Polyester is a non-absorbent material, which means that it does not absorb moisture and effectively protects the contents of the bag in the rain.

MODECOM MONACO

TWO-WAY ZIPPERS

The bag is closed with a two-way zipper. It is a convenient, quick and practical protection of the contents of the bag.

The advantage of zippers is also their very simple operation.

PRACTICAL

HIGH FUNCTIONALITY
