### **Quality**

---

High-quality workmanship determines the durability of the bag.

### **Design**

---

MODECOM HIGHFILL is a minimalist style in 4 colors (turquoise, green, purple and black).

### **Simple but proven solutions**

---

Comfortable handles and a zipper are simple but proven solutions that will allow you to conveniently carry your laptop.

# Minimalistic style

Convenience and safety for notebook computers is the most important for us, which is why we have made a MODECOM HIGHFILL bag in a minimalist style. You will love it for its functionality, low weight and quality of workmanship, as well as for the effective protection of your laptop.

# COMFORT AND STYLE

The MODECOM HIGHFILL notebook bag, apart from its aesthetic qualities, offers excellent comfort when transporting a laptop. This product is also characterized by a low weight design, perfectly suited to transport. Bold and fashionable colors free you from your everyday routine.

# WATERPROOF MATERIAL

MODECOM HIGHFILL bag is a bag made of nylon. In addition to being a durable and strong material, it is also waterproof. Your laptop and other things carried in the bag will be safe regardless of weather conditions.

# VERSATILE

MODECOM HIGHFILL provides protection for every notebook with a screen diagonal in the following sizes: 11.3", 13.3", 15.6".

The main pocket and the side pocket are closed with a zipper. You can put a laptop in the main pocket, while in the side pocket there will be a place for e.g. documents.

# POCKETS WITH ZIPPERS

All pockets are closed with zippers. It is a simple but practical solution - you can quickly hide the most necessary things inside.
