Comfort and practicality in a minimalist style

The light and handy MODECOM MARK bag is primarily convenience and practicality. The minimalist style emphasized by a distinctive, but at the same time subtle red element, fully reflects the character of the laptop bag.

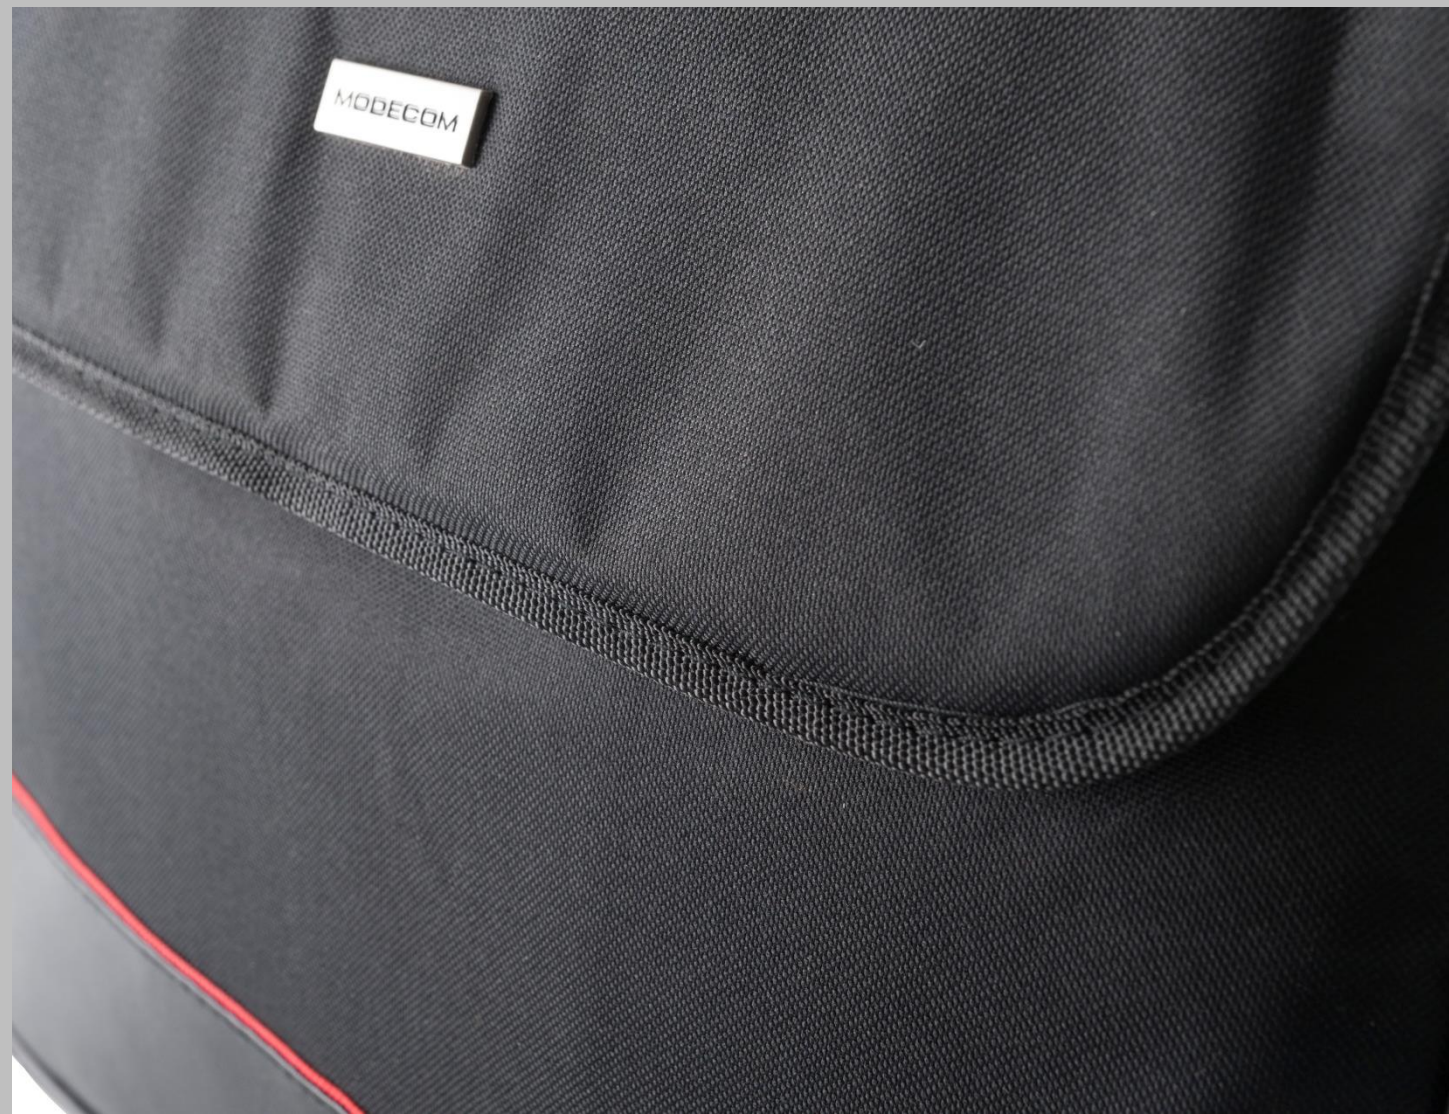

Simple, but at the same time effective solutions are the strength of the product - a large main pocket closed with a zipper, a front pocket closed with velcro, an internal pocket for documents, a comfortable shoulder strap and a handle.

If you need optimal, simple and uncomplicated, but at the same time effective solutions when transporting a laptop - this bag is made for you.
