KEY MATTERS

104 keys

MODECOM VOLCANO GAMER is equipped with 104 mechanical keys which are extremely convenient in use and durable. They make mechanical high-pitched clicking sound adored by gamers.

Windows key lock

Lock applied in MODECOM VOLCANO GAMER protects your battle from unexpected exit resulting from pressing Windows key. You can be sure that you won't ever see your desktop unexpectedly when playing games. It's you who decide to stop the game. You must remember that.

Durable keys

MODECOM VOLCANO GAMER keys were moulded with the use of double-injection process. Accordingly, you can be sure that the letters will stay on the key forever, regardless of how often and how intensively they are used.

MODECOM VOLCANO GAMER

Full anti-ghosting

The majority of keyboards can register only a few commands actuated by your fingers. Such limitation prevents you from actuating some commands requiring more keys to be pressed in a game. Consequently, it limits the entertainment and influences your results. MODECOM VOLCANO GAMER keyboard is equipped with full anti-ghosting function. This means that you can press any number of keys you want and they will all be registered. MODECOM VOLCANO GAMER keyboard is professional tournament equipment.
