

MODECOM KEYBOARD MC-5005

MODECOM MC-5005 MULTIMEDIA KEYBOARD

MC-5005 keyboard is designed for maximum comfort. The unique low profile allows you to not get tired wrists, even during prolonged computer work.

Contoured keys with a relatively large surface area to help accurately target the desired characters on the keyboard. To further improve the ease of working with the keyboard, the keyboard is equipped with fast media player.

The keyboard is very quiet, as well as improves the sense of both the user and people in the same environment.

The keyboard also has a very attractive appearance, so it will be interesting element of the work environment.
