MODECOM GO MC-G10

MODECOM GO MC-G10

MODECOM **GO MC-G10** is a modern and fashionable notebook pad that can be transported in a comfortable way. The product has been made of the highest quality materials and it enables comfortable work with a mobile computer, regardless of the user's location.

The ultra-thin design (merely 11mm in thick) makes it very handy and highly comfortable in transport. The perfectly shaped mat coating prevents your mobile computer from sliding down its surface.
