MODECOM ROYAL MC-CG2U2Q

The USB car adapter MODECOM ROYAL MC-CG2U2Q will quickly and efficiently charge a portable device such as a smartphone or tablet. The charger is equipped with two car lighter sockets (DC Power Ports) and two USB sockets. Additional lighter sockets allow you to connect eg a video recorder or navigation. Thanks to the advanced MODECOM ROYAL technology, the MC-CG2U2Q is up to 4 times faster compared to other conventional chargers. It is also compatible with all Quick Charge technologies. Thanks to these solutions, you can charge the device up to 80% in just 35 minutes. The power supply also allows standard charging of devices that do not have a quick charging function. MODECOM ROYAL MC-CG2U2Q is equipped with technologies protecting the device from overcharging and from overheating.

Key features

- ✓ Two car lighter sockets (DC Power Ports)
- ✓ Two USB ports
- ✓ Fast charging function that allows you to charge the device up to 80% in just 35 minutes
- ✓ Made of high quality materials, dedicated for use when traveling by car
- ✓ The charger works not only in passenger cars, but also works well in trucks and delivery vans

Car adapter

Practical solutions

The charger is equipped with two lighter sockets (DC Power Ports) and two USB sockets. You can connect a tablet, smartphone, car camera and navigation.

High quality
