## MODECOM MC-CU2C1-07

MODECOM MC-CU2C1-07 is a car charger, that will charge your mobile devices such as smartphones or tablets. The charger is very compact and comes with two USB type A charging ports, with one of them with certified support of Qualcomm Quick Charge 3.0. It is also equipped with one Type-C port. Thanks to the advance technology our charger can charge your device upto 4 Times faster if compared to conventional chargers if your device also supports Qualcomm Quick Charge technology. You may reach even 80% of your battery level in only 35 minutes. At the same time our charger can also work with devices not supporting Quick Charge

## Key features

- ✓ Two USB ports including one with Qualcomm Quick Charge 3.0 support
- ✓ One USB Type-C port.
- ✓ Charger works not only with cars but also with trucks.
- ✓ Quick Charge function allows to charge up to 80% of battery in only 35 minutes.
- ✓ Made with high quality materials.

## USB Car Adapter

### Practical uses

Charge comes with two USB port with one of them certified to support Qualcomm Quick Charge 3.0  
It also provides one USB Type-C port.

### High quality

Our charger is made to survive being on constant move and vibrations while using in the car

### Quick Charge

Qualcomm Quick Charge 3.0 allows our charger to charge your device's battery up 80% within just 35 min.
