MODECOM MC-CU3-05

MODECOM MC-CU3-05

MODECOM MC-CU3-05 is a car charger, that will charge your mobile devices such as smartphones or tablets. The charger is very compact and comes with three charging ports, with one of them with certified support of Qualcomm Quick Charge 3.0. Thanks to the advanced technology our charger can charge your device up to 4 times faster if compared to conventional chargers if your device also supports Qualcomm Quick Charge technology. You may reach even 80% of your battery level in only 35 minutes. At the same time our charger can also work with devices not supporting Quick Charge.

Kluczowe cechy

- ✓ Three USB ports including one with Qualcomm Quick Charge 3.0 support.
- ✓ Charger works not only with cars but also with trucks.
- ✓ Quick Charge function allows to charge up to 80% of battery in only 35 minutes.
- ✓ Made with high quality materials.

Zasilacz USB do samochodu
