HEADPHONES

MODECOM MC-828 STRIKER

-
- ✓ The headphones are not only for gamers. They will also prove useful while studying or working.
 - ✓ The volume control is right at hand - it's located on the headphone cable.
 - ✓ 2 x 3.5 mm Mini Jack cable with a length of 180 cm.

-
- ✓ The earcups are not only comfortable, but also isolate sounds. In addition, they are movable, which allows them to better fit the shape of the head.
 - ✓ The soft material on the headband (eco-leather) maximizes the pleasure of using the headphones.

-
- ✓ High ergonomics allows you to use them for many hours - not only while playing your favorite games for many hours, but also while working or studying at a laptop.

DETACHABLE MICROPHONE

A sensitive, flexible and detachable microphone with a foam windscreen end for clear communication during study and work. It also works well in situations when you use headphones to play your favorite computer games.

MODECOM MC-828 STRIKER

CONVENIENCE ABOVE ALL

SOFT ECO-LEATHER

Comfort of use is ensured by soft eco-leather on the headband and pillows.

The materials isolate the sounds from the environment well, allowing you to listen to music or play without interference from the outside world.

UNIVERSAL SOUND IN THE MODECOM MC-828 STRIKER HEADPHONES

The MODECOM MC-828 STRIKER headphones are universal enough to be suitable for listening to music, playing, and even working or studying.

What you will use them for - is your choice, we only gave you the tool.

MODECOM MC-828 STRIKER

SOFT EARCUPS

We realize that gaming requires concentration and good isolation from the real world. Therefore, the material used in the earcups is perfect to maintain focus while playing games.

MINI JACK

MODECOM MC-828 STRIKER headphones are connected to a computer via a 2 x 3.5 mm Mini-Jack cable. Gold-plated cable ends ensure good sound quality.

The 1.8-meter long cable is convenient and does not restrict your gaming or work in any way allowing for a free range of movements.

MODECOM MC-828 STRIKER

COMFORTABLE

The headphones have a wide range of adjustments - so you can adjust them to your own preferences for the greatest convenience, adjusting them to the shape of your head.

VOLUME CONTROL

The volume is controlled from the remote control on the cable.

The headphones have everything you need in gaming - lightweight construction, a sensitive and flexible microphone, comfortable ear cups and good sound quality. All this makes them perfect for gaming.

GAMING? YES!

MODECOM MC-828 STRIKER

SOUND

Good-quality sound that pleases with its sound while playing, as well as during study or work.

MODECOM MC-828 STRIKER
