SOUND

VOLCANO SHIELD 2... ANOTHER EDITION OF HEADPHONES FOR GAMERS WITH EVEN BETTER SOUND

SHIELD 2

GAMING HEADPHONES - THE SECOND VERSION OF THE POPULAR HEADPHONES

MODECOM VOLCANO SHIELD 2 is the second edition of the popular headphones for the player. The new shields sound even better and are more comfortable than their predecessor. When creating the next edition of headphones, we also did not forget about other elements (including materials and earcups) that have been improved. At the same time, we have not lost sight of the main theme - MODECOM VOLCANO SHIELD 2 are headphones for gaming enthusiasts who value purity of sound while maintaining an affordable price.

The sound is clear, thanks to the 50-millimeter pickups. Thanks to them, you will feel the pleasant sensations flowing from computer games and you can easily locate your opponent in online games.

Soft and pleasant to touch materials allow you to use the headphones for many hours without feeling tired.

MICROPHONE

The sensitive microphone allows you to communicate with other companions while playing online. A clear voice allows you to easily connect with the team, which is very important during any online entertainment.

The microphone (with LED diode) is placed on a solid plastic headband, which can be folded back if necessary, so that it does not interfere during single player games.

MODERN, BOLD DESIGN

MODECOM VOLCANO SHIELD 2 headphones look modern and fit perfectly into the gamers desk. Effective LED backlight can make an amazing impression, especially when you play, and LED backlight is synchronized with other illuminated devices (keyboard and mouse).

MODECOM VOLCANO SHIELD 2 is a great choice for any gamers, regardless of whether you like adventure games, strategy games, RPG or FPS - their versatility will allow you to play any type of game at its best.

CONVENIENCE IS THE KEY

Computer game enthusiasts can spend hours at the computer games. In order not to feel unpleasant discomfort, they need comfortable headphones. MODECOM VOLCANO SHIELD 2 not only provides comfort but at the same time does not tire the head thanks to the optimal weight.
