HIGH SPEED

USB 4 × USB-A

MODECOM MC-4U

MODECOM MC-4U is a power adapter equipped with four USB-A charging ports for mobile devices. The power adapter enables easy connection and quick charging of mobile devices such as a smartphone or tablet. It is made of high quality materials, and the technological solutions provide maximum comfort of use and to safely and quickly charge the connected devices. The versatility of the power adapter is characterized by four USB-A charging ports. MODECOM MC-4U is an excellent choice for people who have mobile devices compatible with the power adapter ports. Thanks to this solution, it is enough to have one power adapter to simultaneously charge up to four mobile devices. It saves time, the need to look for dedicated chargers and uses only one power source.
