Low-profile mouse for comfortable work and study

The MODECOM MC-M111 mouse is a harmonious combination of modern, minimalist design with high quality and comfort of use. Already at the first contact with the MC-M111 mouse, you will be charmed by its slim design with a characteristic, low profile. The design of the MODECOM MC-M111 mouse in a vivid blue color and elegant black gives it a unique look.

Vivid black and blue color mouse

Materials.

The materials from which the mouse is made not only give the product an attractive appearance. They also make the hand placed on the surface of the MC-M111 meet a material with a matte surface that is pleasant to the touch.

MODECOM MC-M111

Ergonomic.

The MODECOM MC-M111 mouse is also comfortable to use. Its ergonomic and low profile design fits perfectly in the hand and minimizes fatigue even during long hours of use.
