WIRED MOUSE

The product is easy to use and transport.

The MODECOM MC-M9.1 mouse is a "plug and play" device. After connecting to the USB port, you only need to wait a few moments, after which the product will be ready for work.

Long cable range.

The MODECOM MC-M9.1 mouse has a 1.8 meter long cable. This cable length is enough for comfortable work at the computer.

Optimal solutions for work, study and play.

When creating the universal and practical MC-M9.1 mouse, our main goal was durability and ergonomics of use. Its classic design, available in three color versions (black, black and blue, black and white), meets the tastes of demanding users who appreciate classics in a modern edition. The surface of the mouse is made of a material that is pleasant to the touch. MODECOM MC-M9.1 combines the best features of a classic, solid and ergonomic design.

The MODECOM MC-M9.1 mouse is a great choice for work and study.

Design

Classic and elegant design will fit perfectly into the workplace.

Material

The surface of the mouse is made of a pleasant-to-touch material that maximizes the pleasure of using it.

Sensor

MODECOM MC-M9.1 is equipped with a sensor with a resolution of 800/1200/1600 DPI. The sensor works on most surfaces.

Palette of colours

The mouse not only has to function reliably and not tire your hands. It must also please the eye and that is why we offer it in one of the three available colors.

Ergonomics

The mouse must be comfortable and not tire your hands. This is what MC-M9.1 is like. It is a device that reduces fatigue after many hours of use and allows for comfortable work.
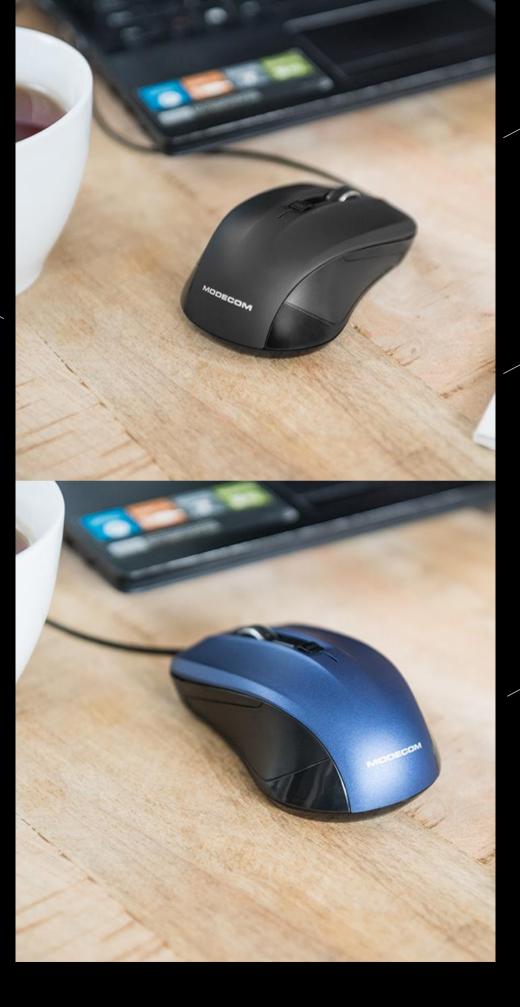

Perfect for home and office

Work in the highest comfort

Sensor optimizing work

MODECOM MC-M9.1 has been equipped with a sensor with a resolution of 800/1200/1600 DPI. 1600 DPI is the optimal value to enjoy comfortable work with high-resolution screens.

Convenience of work and study at home and in the office

For years we have been supplying the market with mice for the office, study and work - MODECOM products are characterized by high ergonomics, so you can spend many hours in front of the computer without feeling tired.

Why you should buy it?

✓ Long USB cable - 1.8 meters.

✓ Classic and elegant design - the mouse doesn't have to be boring.

✓ High ergonomics of use - less fatigue after many hours of work or study.

✓ Available in three colors (black, white, blue).

✓ Optical mouse with a sensor up to 1600 DPI - works on most surfaces, is precise and durable.
