

MODECOM VOLCANO MERU HOKORI

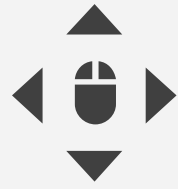

Huge size.

Fabric, smooth surface.

Stitched edges.

SMOOTH SURFACE

A material pad with a smooth surface, thanks to which the work of the mouse becomes even better.

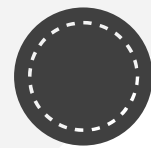

HUGE SIZE

The very large size of the pad (1200 x 600 x 3 mm) is comfortable while playing and guarantees covering a large surface of the desktop. You are only limited by the desk, not the pad.

EASY TO CLEAN

The material from which it is made is easy to keep clean.

STITCHED EDGES

The pad has black, stitched edges. Stitched edges ensures longer lifetime.

HIGH QUALITY

The use of high-quality materials during production ensures its durability.

HOKORI STYLE

With this pad you will express yourself and your gaming character in the Hokori style.

SURFACE

The smooth surface improves the precision of the mouse.

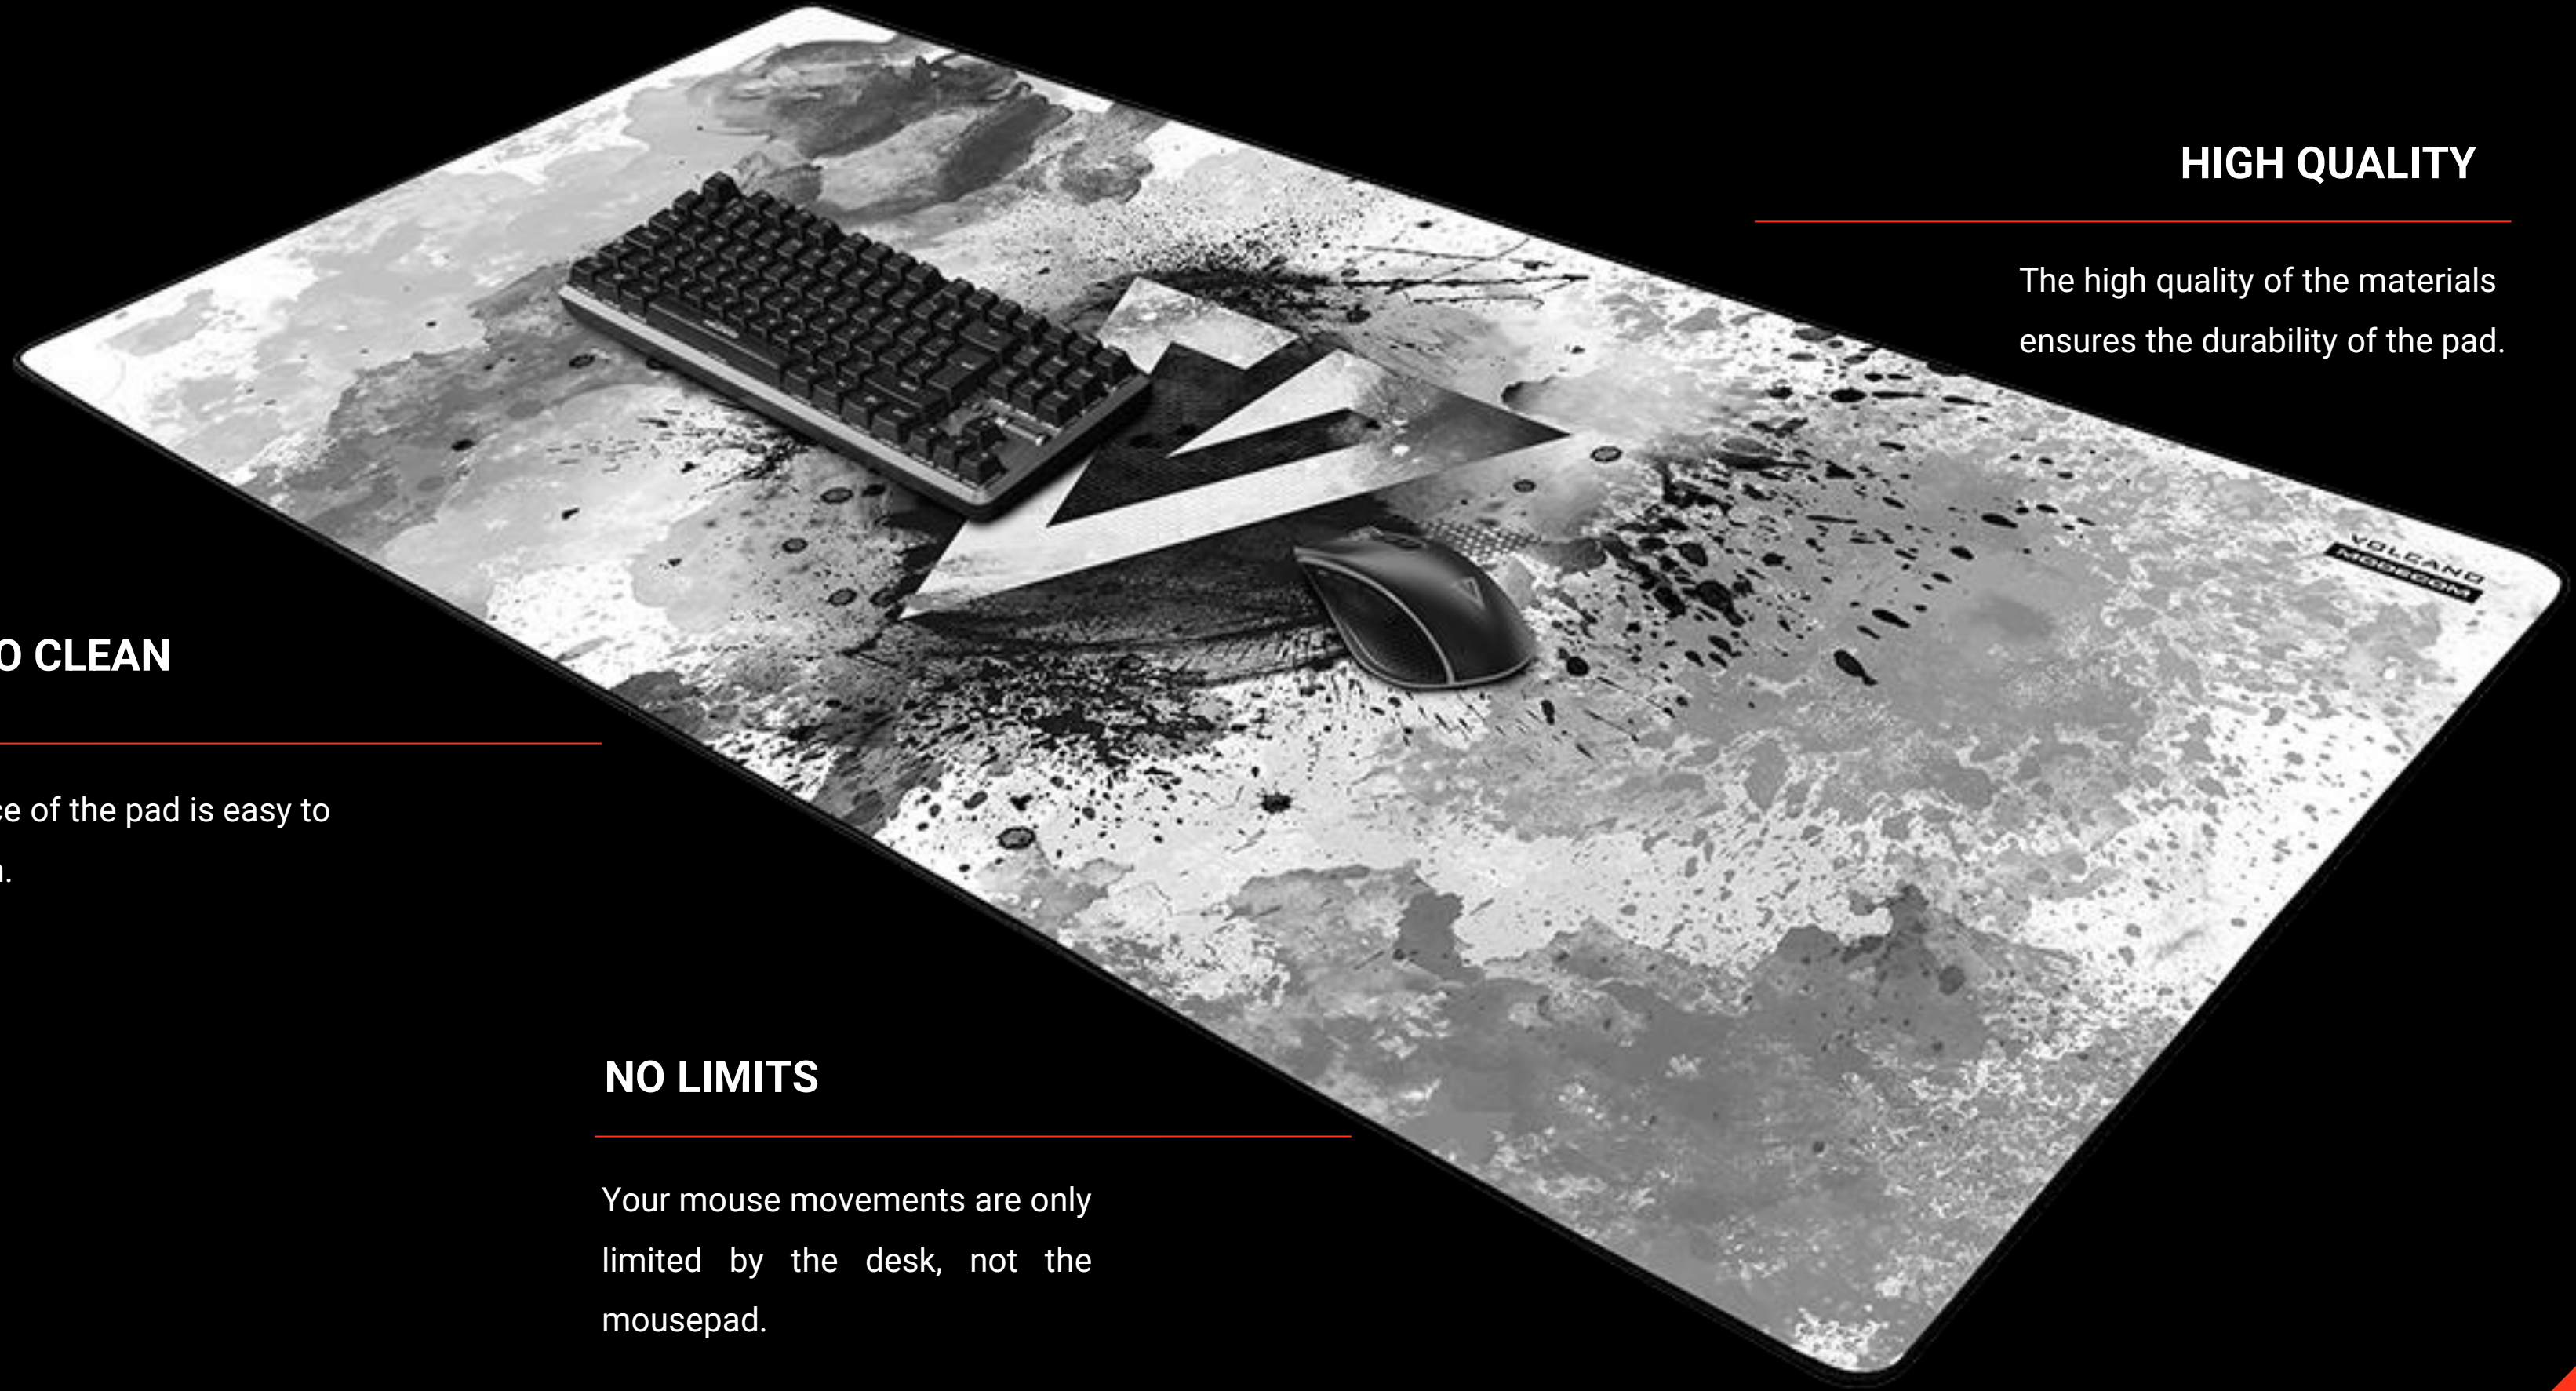

LARGE SIZE

Thanks to its large size, it can cover the entire size of almost any desktop.

STITCHED EDGES

The pad has black, stitched edges. Stitched edges ensures longer lifetime.

EASY TO CLEAN

The surface of the pad is easy to keep clean.

NO LIMITS

Your mouse movements are only limited by the desk, not the mousepad.

HIGH QUALITY

The high quality of the materials ensures the durability of the pad.

HOKORI STYLE - A SYMBOL OF INDEPENDENCE

The Hokori (which means „dust“), brings to mind a volcanic environment with its distinctive appearance. Thanks to the white, gray and black Graphics, resembling ashes after a volcanic eruption, it will perfectly fit into any gamer’s desk.

The original pattern in a distinctive and characteristic way emphasizes the gaming origin, which is characterized by unrestricted freedom. Express yourself and your gaming desk in the style of volcanic ash – Hokori style!

HOKORI STYLE

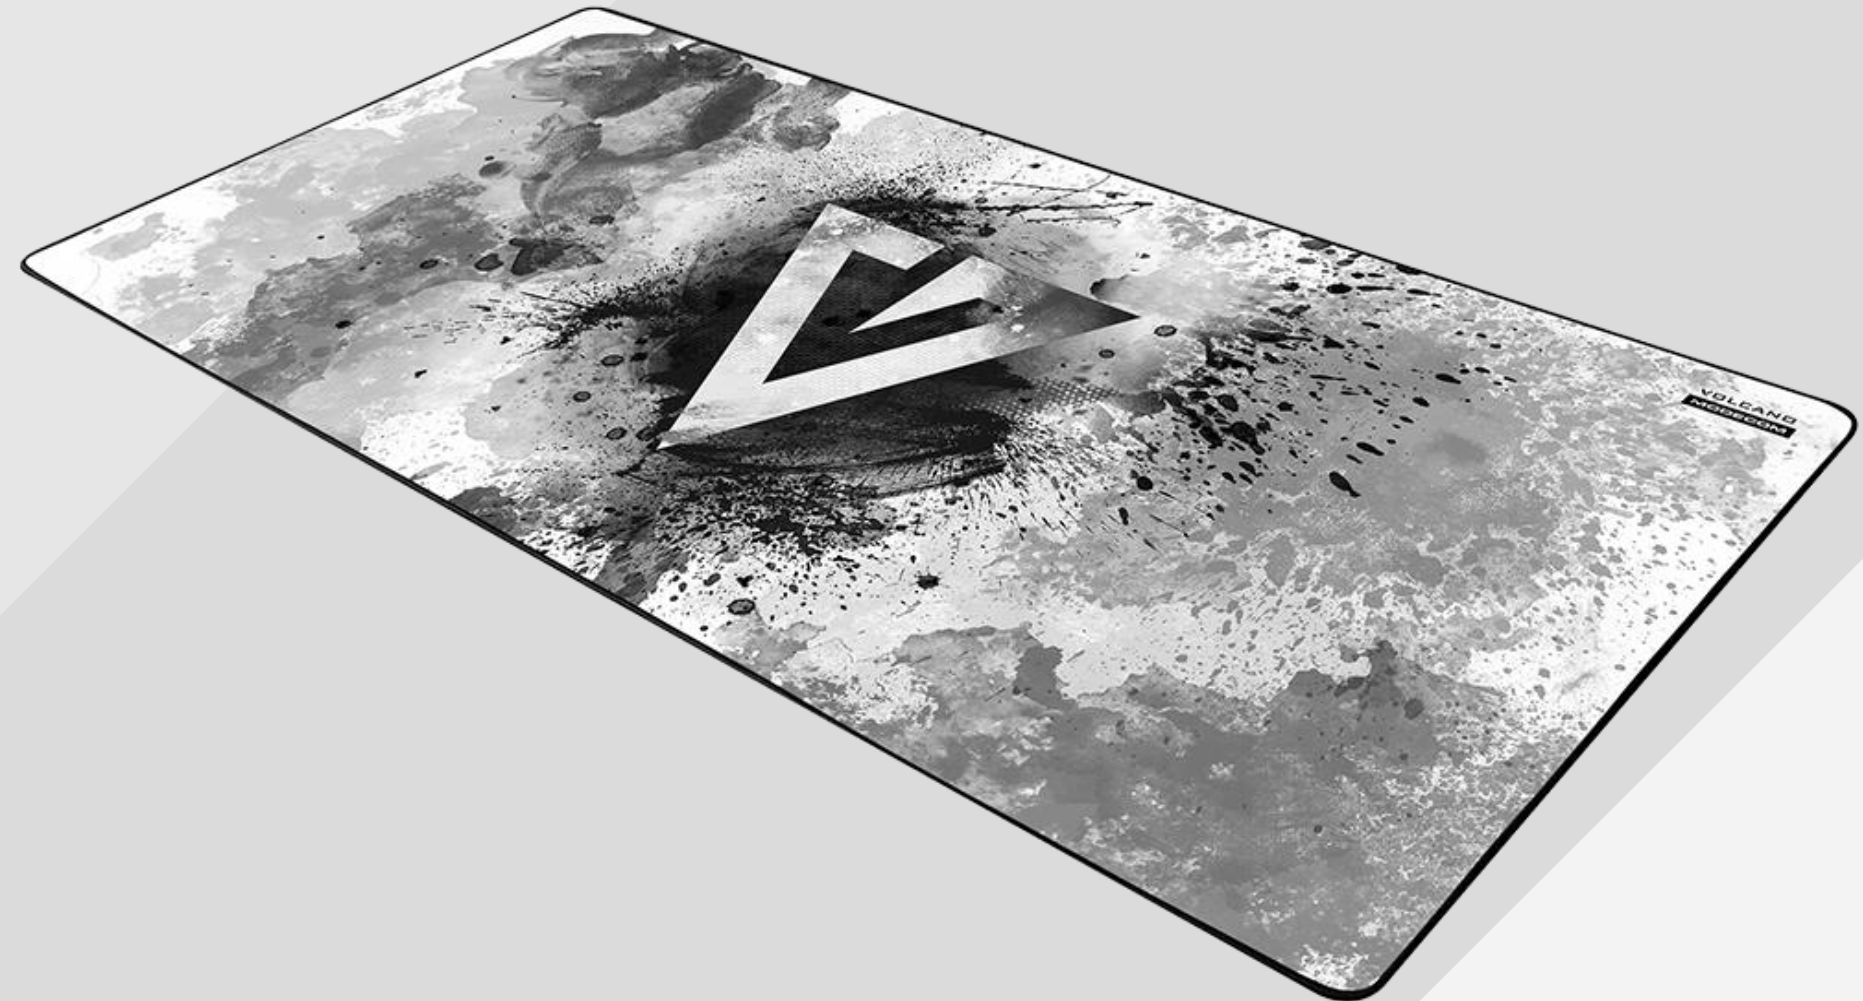

Mousepad with the Volcano logo in the style of Hokori - volcanic ash. It fits perfectly into any gamer's desk.

PRECISION AND PROTECTION

The pad protects the desk against moving the keyboard and mouse on the desk. It gives the mouse precision - it is much more convenient to control.

SMOOTH SURFACE

Add precision while gaming.

SIZE

You are only limited by the desk, not the pad.

VOLCANO MERU HOKORI

You are only limited by the desk, not the mousepad.

MODECOM Volcano Meru Hokori is a mouse and keyboard pad of enormous dimensions - 1200 x 600 mm. It was created for people who need a large mousepad. Mouse movements, unlimited by the surface of the mousepad, allow you to play freely at low DPI settings. High-quality smooth material improves the precision of the mouse, enhancing your gaming pleasure.

Created especially for gamers, it is resistant to dirt and possible spills - just wipe it with a wet cloth to effectively get rid of dirt. The Hokori design reflects the nature of volcanic ash on the gaming stand. What's more, the graphics keep the pad much cleaner than mousepads without graphics, on which you can often see fingernail marks or dirt.

This pad is supreme to other pads in each way.

HUGE SIZE

The very large size of the pad (1200 x 600 x 3 mm) is comfortable while guarantees covering a large surface of the desktop.

① **DESK IS THE LIMIT!**

FREEDOM OF MOVEMENT

A pad of this size will successfully fit a mouse, keyboard, headphones, a cup and many other things that so far were disturbing on a smaller pad.

By choosing MODECOM Volcano Meru Hokori, you provide yourself with virtually unlimited freedom of movement.

Meet MODECOM Volcano Meru Hokori

The pad is made of a durable material whose structure allows you to increase the precision of the mouse sensor. It enhances the enjoyment of gaming, allowing you to get even better results in games that require quick response, reflex and precision.

The underside of the mousepad is a rubberized non-slip material that keeps it on your desk even during intense gaming. Regardless of whether game you are engaged in (FPS games or quiet simulation games), the pad will be perfect for any task.

5 REASONS WHY YOU SHOULD HAVE IT

01. CONVENIENCE

This pad is comfortable and practical. It is easy to keep the gaming desk clean, it protects the desk against scratches, increases the precision of the mouse.

02. FOR YEARS

High-quality material will allow you to use it for years.

03. HOKORI EDITION

Design in a style of volcanic ash.

04. HUGE SIZE

Huge size (1200 x 600 x 3 mm) covers entire desk.

05. EASY TO CLEAN

Due to the fact that it is made of material, it is very easy to keep it clean. A damp cloth is enough for this. Spilled drink? Chip leftovers? This is not a problem - just wipe the pad with a wet cloth.

EASY TO CLEAN

The smooth material of which Volcano Meru Hokori is made has a lot of advantages.

The structure of the material limits the absorption of liquids.

ANTI-SLIP RUBBER BASE

The bottom layer of the pad is made of rubber. It does not move and lies firmly on the desk, regardless of the material it is made of (glass, plastic, wood).

PLAY AS YOU LIKE

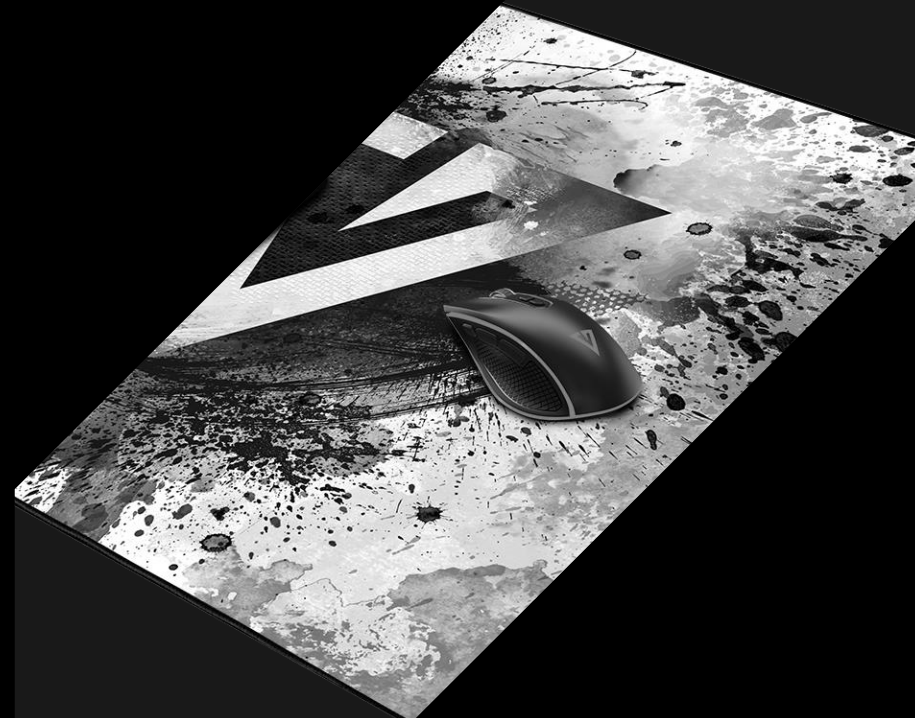

Enjoy every minute spent at the computer while playing your favorite games.

Use 100% of the potential of the mouse on the MODECOM Volcano Meru Hokori pad.

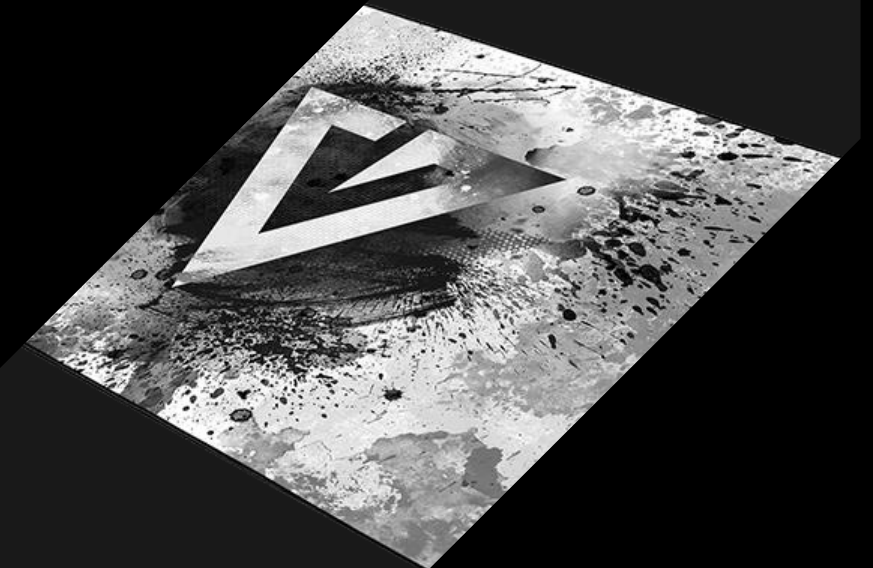

Use its full potential and feel the freedom of movement while playing.
